20                  I caused such envelope to be deposited in the mail at Dallas, Texas. The envelope  
 21                  was mailed with postage thereon fully prepaid. I am "readily familiar" with the firm's practice of  
 22                  collection and processing correspondence for mailing. Under that practice, it would be deposited  
 23                  with U.S. postal service on that same day with postage thereon fully prepaid at Dallas, Texas in  
 24                  the ordinary course of business. I am aware that on motion of the party served, service is  
 25                  presumed invalid if postal cancellation date or postage meter date is more than one day after date  
 26                  of deposit for mailing in affidavit.
